

DESIGNATING THE LAKE FORMED BY THE WATERS  
IMPOUNDED BY THE BUTLER VALLEY DAM, CALI-  
FORNIA, AS "BLUE LAKE"

---

DECEMBER 9, 1970.—Referred to the House Calendar and ordered to be printed

---

Mr. FALLON, from the Committee on Public Works,  
submitted the following

**REPORT**

[To accompany H.R. 19855]

The Committee on Public Works, to whom was referred the bill (H.R. 19855) to designate the lake formed by the waters impounded by the Butler Valley Dam, California, as "Blue Lake," having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

**PURPOSE OF THE BILL**

The purpose of the bill is to designate the lake formed by the waters impounded by the Butler Valley Dam, California, as Blue Lake.

**GENERAL STATEMENT**

Blue Lake is a small rural community in northwestern Humboldt County, Calif. near the proposed site of the Butler Valley Dam authorized by the Flood Control Act of 1968. The community desires to have the lake to be impounded by the dam named for the community. The naming of the lake for the community will provide an identification which will contribute greatly to the economic revitalization of the entire area.

**COST TO THE UNITED STATES**

Enactment of this legislation will not result in any cost to the United States.

## AGENCY COMMENTS

The Department of the Army and other interested Federal agencies have indicated no objection to enactment of the bill.

## COMMITTEE VIEWS

The Committee believes it is fitting and appropriate to name the lake created by the Butler Valley Dam for the local community of Blue Lake.
